Probably requires less than 15 minutes of work

Special Requirement Note

No additional information required

CAMOUFLAGE CHALLENGE

Rating: 2

Cache is in one of a very few logical locations available.

Special Requirement Note

No additional information required

Description

Well, its actually at the shell gas station..using GPS, can practically drive right up to VERY near the cache site.. [on photo my old diesel rabbit was parked there]... in order to claim / log site...let me know the last digit of date on benchmark...in photo..there is a small pebble hiding it..!!

Photos

its at base of iron [not
